

A KENNEL DOG'S DREAM

The people who look after me
Are very kind indeed
They give me food and water
And most of what I need

If a kennel angel visits
We have fun and lots of play
Sometimes they take me out
That really makes my day

Later when the sun goes down
And everyone goes home
I'm put back in the kennel
Left behind, I'm so alone

As I lie in my kennel
Wandering "what did I do wrong"?
I dream of a happy life
With a family, where I belong

In my dreams I'm in a house
Love reaches the moon and higher
My family gives me everything
That's everything I desire

I love the family of my dreams
But will my dream come true?
I have so much love to give
I would give my love to you

So while I wait in the kennels
Will you come and visit me?
We could have so much fun together
Until I have my own family
