

## FOSTER FOR THEIR FUTURE

Are you the kind of person,  
Who is caring, kind and selfless?  
Does your heart break for the animals,  
Who are weak, Unloved and helpless?  
Want to cry when you see one,  
Reduced to skin and bone?  
Do you wish you that you could help them,  
To find a Loving home?

A lot of people see this and wish to find a way,  
To help our homeless animals,  
And see them flourish more each day.  
A lot are sad they don't have money,  
To pay towards our cause.  
And can't think of how to help them  
To land happily on their paws.

So what if I told you that you can save a life?  
Take the dogs off the streets away from the strife,  
Feed the cats everyday when they come to your door.  
You could give them your Love,  
They would give you much more!

Have you thought of fostering in your home?  
Take them in from the cold,  
Of the streets that they roam.  
Give them a blanket on a nice cosy bed,  
In a place filled with comfort, they can rest their head.

If you could help us, get the dogs off the street,  
We will pay for what's needed, The vet bills and feed.  
If you need us, we're here at the end of the phone.  
We will do all we can to help the dog find a home.

So if you have space in your home and your heart,  
And you have been wanting to play your part,  
In helping the animals find their happy ending,  
And watching them thrive on the care you are sending.

Then please speak to us, we are desperate to find  
People like you who are caring and kind.  
Who can welcome them into your home, heart and soul.  
Their Love in return will make your heart feel whole!

If you have any questions, whether you're near or far,  
Then you pick up the phone and call AAR.  
Or write us a message, we will soon reply.  
For each one that helps, has just saved a life.
